

To whom it may concern:

**7 JANUARY 2019**

**NEW ADDRESS FOR AC ANALYTICAL CONTROLS B.V. / PAC ROTTERDAM**

Dear partner(s),

First and foremost, we wish you health, happiness and success for 2019 from all of us at PAC Rotterdam!  
Besides our best wishes, we would also like to inform you about our upcoming company move:

Per **February 4, 2019** we will be located at a new address:

**AC Analytical Controls B.V. (PAC Rotterdam)**  
**Kiotoweg 555**  
**3047 BG Rotterdam**  
**The Netherlands**

All our phone numbers, as well as our P.O. Box address remain unchanged. We kindly ask you to send all your future (physical) communications to the above-mentioned address and update your records.

We would also like to draw your attention to the following. We have noticed that quite a lot of our incoming mail is addressed to people who are no longer working with us. To avoid confusion or if you don't know whom to address your mailing to, please send all future contracts, invoices and other official communications to the attention of our Finance Department.

We look forward continuing our working relationship and would like to welcome you to our new facility should you be around in the near future!

With kind regards,

**PAC Rotterdam**

**AC Analytical Controls B.V.**

**Dirk Kranendonk**
