

PAC Reformulyzer[®] M4 Training 2018 - Singapore

PAC INSTRUMENTS ASIA PTE LTD

61 Science Park Road,
#03-09/10 The Galen
Singapore Science Park II
Singapore 117525

Course Description:

The 4-days Reformulyzer[®] M4 training course is designed for new and existing customers of PAC products; however, a basic knowledge of gas chromatography is required. Class sizes are small so the course is highly interactive and flexible. The course consists of theoretical and practical sessions, including:

- System details, software and hardware
- Operation Application in a practical way
- Tuning
- Interpretation of results and discussion
- Troubleshooting and maintenance

Course Part Number and Cost:

Part Number: 9-220-019

Cost: \$ 1,250 USD for each attendee

Who Should Attend?

New users or current operators who need a refresher to fill in knowledge gaps.

Course Materials:

PAC will provide the printed presentations materials and an instrument will be available for hands-on lab practices.

Length: 4 days

Prerequisites: Basic knowledge of Gas Chromatography and Agilent Chemstation.
